

Keep your hands busy

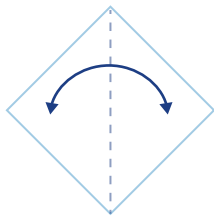

Make an origami moon

Keep your hands busy whilst listening to the great line up of speakers at the Legal Geek Conference and have a go at our Origami Moon Competition. We'll be giving out a pair of Apple AirPods for the best creation!

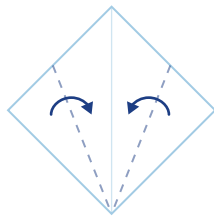

How to enter:

1. Follow the instructions to create your moon - you can use any kind of paper, so get creative!
2. Post a photo of your moon on Twitter and tag us @JAM_24_7. Hashtag the event #legalgeek and the competition #jamigami
3. We'll choose the best one and send you your **Apple AirPods!**

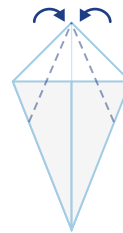

Good luck!

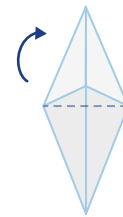

- 1** Take a square piece of paper, fold it in half to make a crease.

- 2** Fold along the dotted lines, bringing the edges to the centre line.

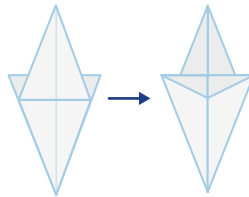

- 3** Fold along the dotted lines, bringing the top edges to the centre line.

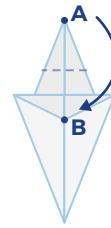

- 4** Fold in half backwards.

- 5** Fold along the dotted lines.

- 6** Turn over.

- 7** Fold along the dotted line, bringing point A to point B.

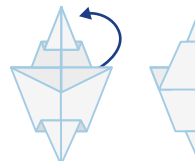

- 8** Fold along the dotted line, bringing point A back towards the top.

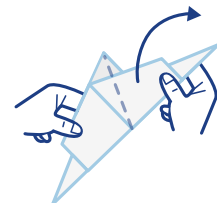

- 9** Fold along the dotted line, bringing point C to point D.

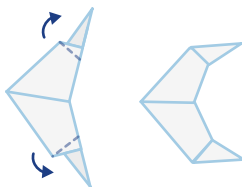

- 10** Fold along the dotted line, bringing point C back towards the bottom.

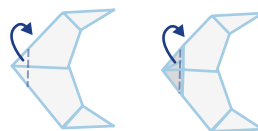

- 11** Fold in half.

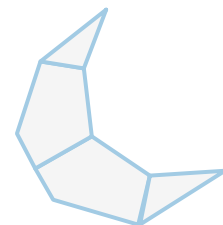

- 12** Pull it as shown.

- 13** Pull the top and bottom folds outwards in the same way.

- 14** Fold each corner individually in along the dotted lines.

- 15** Finished!
